Find Us: Entrance to the kennel is along the southern side of the large white fence, closest to the parking lot, trees, and large propane tank. Kennel entrance is kept locked except during planned appointment times, where a staff member will be available to meet you to open the gate

Please Note: We are a sled dog kennel housing at minimum 36 high energy sled dogs from ages 1-14, at all times. Our boarding program would be a great fit for active and social dogs that enjoy play time. From our pack of 36 sled dogs we can typically match 2-3 of our dogs to your dogs' energy level and play style

We can also be a great fit for dogs that struggle in social settings, or are aggressive or reactive towards other dogs/animals. We will not board dogs that show signs of human aggression. We have 7 play yards surrounding the kennel runs, which allows for easy separation and isolation if necessary. Visual barriers between kennels are available for dogs who would be more comfortable in a solo environment

Pick ups and Drop Offs

We are open to clients from 8am-5pm Monday through Friday. **No pick ups or drop offs on Saturdays or Sundays.**

We keep our kennel gate locked 24/7 and staff members will be available to let you in 8am-5pm Monday through Friday. After hours pickups may be available on a case by case basis, additional fees may apply
